

CONTAINER PLACEMENT

Weekly collection is provided for trash and recycling containers. To ensure your service is not interrupted...

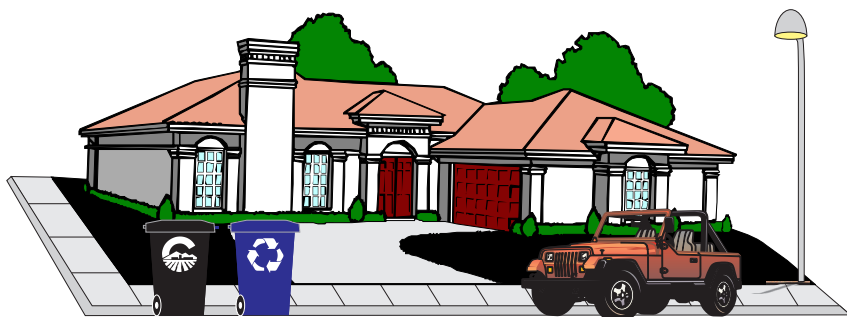

PLACE your container in the street, wheels against curb, by 6 a.m. on your scheduled day of collection, no earlier than 6 p.m. the day before with the lids closed.

DO NOT block the sidewalk for pedestrian use.

DO NOT place your container near parked vehicles

DO NOT place your container near permanent structures such as mailboxes or street light poles.

REMOVE container from the curb by 7:00 p.m. on the day of collection per City Code, Section 44.

Your Front Yard

Container out by 6 a.m. on scheduled collection day, no earlier than 6 p.m. the day before, in the street with wheels against the curb, and lid closed.

Street

Weight of waste in container must not exceed 200 lbs.

Remove containers from the curb by 7 p.m. on the day of collection.
